

Frequently Asked Questions

When can I register?

The centre has continuous intake, allowing you to register and start throughout the school year.

How much will it cost?

There is a \$35.00 annual registration fee. You can complete more than one course at no extra cost.

How do I get help or instructions?

You and your teacher will determine the best method of communication. This could include messages through the course, phone calls, emails, text messages, or online meeting platforms. Communication is the key to success for online courses.

How do I write tests and exams?

Tests or exams can be written online or at the centre.

What happens if I start late in the year and don't finish a course by June?

If necessary, you can reregister the following school year and pick up where you left off.

It's never too late to get your high school diploma. You might be closer than you think!

Celebrating 15 Years of Service

See what our recent grads are saying. . .

Finishing school was one of my greatest accomplishments. It's never too late to finish what you started. Now I can move on to bigger and better things.—Ashley, Grad 2014

We're not the typical age of graduates, so finishing now is even more of an accomplishment.—Grad of 2014

*It has been a long road, lots of hard work, however WE DID IT!
—Leonie & Carol—Grads 2013*

Online High School for Adults

MAEC is a Certified Adult Learning & Literacy Centre offering self-paced online high school courses to Manitoba adults. Self-paced courses allow students to work on their own schedule.

Fit learning into your busy life. Study full time or part time, days or evenings, at the centre or in the comfort of your home.

Communication is the key to success!

Come to the centre or contact teachers through the course, or by phone, fax, or email. Another option is using Blackboard Collaborate to meet your teachers in real time, online!

Available online courses include:

- * Grade 12 English Language Arts Transactional
- * Grade 12 English Language Arts Technical
- * Grade 10 and Grade 12 Essential Mathematics
- * Grade 12 Applied Mathematics
- * Grade 10 Intro to Applied & PreCalculus Math
- * Grade 11 and Grade 12 Biology
- * Ask about other course offerings.

Learn for Life

*Not only for the duration of your life,
but for a more vibrant, healthy, and
exciting life!*

Mature Student Diploma

Requires only **eight** credits:

- * **Four — Grade 12 credits**
- * **Four — Grade 9 -12 credits**

Bring your transcript and staff will help you to determine how many more credits you need to graduate and what you need to do to earn them. You could be a graduate soon!

Fast Track Your Way to Graduation

The eight required credits could include:

- * Previous credits
- * Dual credits
- * Recognition of Prior Learning
- * Apprenticeship credits
- * Resume and portfolio development
- * Work experience (CTS) credits

*Make the commitment,
work hard, and then have
your moment on stage!*
